“Ada, I will never forget your first visit to the Cancer Support Group. We became the best pinky promise friends! I will forever remember our special friendship. I am so grateful that God allowed us to meet. I will hold close to my heart until we meet again...I Love You!
Charlie, I am so sorry that you had to say goodbye so soon! I know that you loved Ada dearly...
Please take care and know that she will be deeply missed and was greatly loved and such a source of encouragement to others in the same fight!
