JB

“ Alan was my favorite “boy” cousin growing up.... shhhh... don't tell the others that! But he won that place in my heart because of his love and kindness. When I think of Alan I think a sweet, gentle man, kind, caring and extremely talented with a camera. I have not seen any recent pictures, but back in the day of 35mm, you never saw Alan without his camera close by. I would say people were the medium of his art. When my daughter was about 2 years old I got an envelope in the mail that was addressed to “ The partner of future Miss America”. Inside was a beautiful picture of my daughter he had taken. Other fond memories consist of teenagers in trucks having innocent fun about the town of Atascadero. He was ALWAYS fun to be around. Heaven is definitely a brighter place with Alan there, he will be missed here, but we will be seeing you!! Much love and prayers sent to Cathy and her boys and their families. ❤️🙏
