

Alicia Beth Guillaume

October 27, 1975 - July 22, 2020

Alicia Beth Guillaume (nee: Cordrey) passed away unexpectedly on Wednesday July 22, 2020 at the young age of 44 while vacationing in San Luis Obispo, California. Alicia was born on October 27, 1975 in Rochester, NY. She grew up in the Western New York area before moving to Baton Rouge Louisiana at the age of 17. There she met her high school sweetheart who became the love of her life. Her dedication and devotion as a wife and mother were unprecedented. Her core passion and joy were to raise their remarkable children, Mason and Madison. She had a very kind, gentle, and nurturing personality and always made sure everyone else's needs were taken care of before her own. On any given day you could find Alicia at her home preparing the best tasting meals in Louisiana, or often sitting on her deck drinking a cup of coffee, enjoying nature, her pets, especially her cats, and overlooking her beautiful gardens. Alicia had an adventurous spirit and

enjoyed traveling. She loved to test her fuel tank just to see how many miles her

car would go while driving on "E". Unfortunately, her car may have won on occasion... Her other interests included hiking, going to see a live band or two,

playing pool, and spending quality time with friends and family.

Alicia is survived by her husband Demetrius Guillaume, son Mason James Guillaume (Ellora Reeves) and daughter Madison Rose Guillaume. She is also

survived by her mother, Nancy "Lynn" Offhaus (nee: Shoup) and step-father Darryl. She was the oldest of four surviving siblings and their children, Julie Cordrey (Janae & Brianna Ellis), Jeannette Chaplin (Landyn Elliott), Jamie Offhaus

(Blake Conroy & Wyatt Croakman) and Darryl Offhaus Jr. In addition to the above

family members Alicia will be greatly missed by the Guillaume family, a multitude

of Aunts, Uncles, Cousins, and all of those who knew and loved her everywhere.

She is predeceased by her father Mark Ivan Cordrey. Grandparents Ivan & Alanna

(nee: Lyons) Cordrey and Ernest & Joyce (nee: Sherman) Shoup.

Honorable mention to Ruth Price O'Connor and the late Randall Chaplin who were there to love and guide Alicia in her formative years.

Services will be held at a later date at the family's discretion. Donations for a memorial fund to help Alicia's family are gratefully appreciated and can be made

through PayPal at lynnlpn@gmail.com.

Thank you for all your thoughts and prayers at this very difficult time in our lives.

“ Alicia, I don't even know where to begin... When you reached out to me 12 years ago, I never imagined we would be as close as we became. Our daily sharing of Facebook posts, the early morning pictures of frogs you'd send me, the talks of how your day was, how the kids were, none of that can ever be replaced. I am so very grateful to have had those years with you, getting to know who you were and being a part of your life. I am thankful to have those memories in our mesaages, so that I can go back and laugh at the things we shared. You will be missed by all who were blessed to know you. Until me meet again...LOVE YOU!

“ So sad to hear about Alicia. She was in my 6th grade class in Alexander and I remember her as a very sweet young lady. My sincere sympathy to her family.

“ I am so very sorry, Demetrius, and all the family.
My husband, Chip Fletcher, died July 22, 2019.
He and your mother, Judy, we're first cousins, so he was your
cousin, too, Demetrius.
Your lovely wife was far too young to have been taken away from
you.
You are all in my thoughts and prayers.

“ I so adored Alicia’s dry wit, usually spoken in the soft Texas accent she retained, even as an adult.

When we were next door neighbors on Greenwell Springs Rd, she always made sure to tell me when she was ‘fixin’ to do’ something, just to hear me laugh when she said it.

We had many a discussion about that phrase ! 🤔

And always had good stories about her travels to Vegas with her beloved Miga whom she adored.

She will be well, and truly missed.

I have a few pictures I'm going to try to post. Alicia was special to me. I thought the world of her. I'm still trying to come to grips with this. My thoughts and prayers for all who loved her & there were many.

BACK THE BLUE

Knew her even before she was even born. She was adored by her parents & family & grew to be a daughter to be proud of & was one of the most unselfish people I've ever known. She married the love of her life & loved & adored her children, who she was so very proud of. She had a wicked sense of humor & sometimes left me laughing so hard that I was crying. Now I'm crying again . I love you , Alicia & one day (hopefully) we'll be sitting on a porch(shooting the sh*t) together again. With much love, Aunt Monica.
