EV

“ I am at a loss of words upon finding out about Andrew's passing. He will always be a dear friend to me and no matter the distance, he was always an amazing shoulder to lean on. His wisdom helped me through some of my darkest times. He had such a beautiful soul and great sense of humor that will be deeply missed. I just found out due to us losing touch last year. My deepest condolences to his family and friends.

“ I was deeply saddened to hear of the loss of dear Drew. A former co-worker who also became a good friend, he and I shared many happy times and talks at work. My love and prayers are with you, along with my gratitude for such a special brother and son who brought happiness to many. God bless you all.
