“ I am so sorry to hear of your passing. I loved all the time we spent together. I loved your spirit, your willingness to do anything, go anywhere. We were definitely "foodie" buddies. I pray that you are at peace.

“ Rest in Peace, Motormouth. I just got the news. I wish we could have seen our plan through, you're way too young to leave us. You're in my prayers, and you'll always be a reminder in the back of my mind to be careful with my actions and choices in life. Thank you for our brief time together, SLO won't be quite the same without you. I'll never hear a rap song without you coming to my mind. Thanks for all the great music you showed me, i wish we could have seen that OSF show together, I wanted to introduce you so bad. I hope you're givin em hell up in heaven, mate. I'll see you when my time comes. Pickle Rick!!!! Love you man

“ The team at Big Brothers Big Sisters of San Luis Obispo County is in deep shock from this news. Any time a member of our family leaves us we ask, "What more could we have done?" We are all thinking of Andrew, his family, his BIG, and all of the lives he touched with love. You are all in our hearts!

“ *His beautiful smile would light up any place, and it was always contagious,
Soon, you had one on your face.
He always seemed happy when he was with his family,
He knew how to love them anywhere any place.
His smile was even brighter when the whole gang was around, he loved giving out
Hugs without even a sound.
I guess our Lord decided he needed you today, to share your smile in heaven,
And teach others your way, a hug and a smile will go a long way.
We'll miss you our sweet Andrew, so young and so much to give, but we know
You'll be in heaven where you'll be teaching how Jesus wants other to live.
Love Grandma and Aunt Pam.*
