“ Oh Anita! My mom's best friend. Strong, smart, clever, warm, with no B.S. A role model for me if ever there was one. She used to listen to my radio talk show in the late 80's and I always loved to hear from her; her comments were usually a challenge that we should be thinking deeper. We had lunch together a few years ago, after my mom died, & then, I am ashamed to say, I never saw her again. Thank you Anita.
