

Beverly Ann Foge

December 28, 1932 - May 26, 2019

Beverly Foge passed away peacefully at home on May 26, 2019. She was a life long resident of San Luis Obispo. Her outgoing and caring personality endeared her to everyone she met. Her love and enjoyment of life were infectious and she will be sorely missed by everyone who knew her.

Beverly is survived by her beloved husband of 68 years, Richard; her daughter Jill Barnier (Bob); and son Douglas; three grandsons; Richard, Stephen, and Mark; and granddaughter Andrea; five great grandchildren; her sister Carolyn Olsen (Larry); and many extended family members. She was preceded in death by her son Donald.

Born to Robert and Doris Pennington, Beverly attended Fremont elementary, met the love of her life in San Luis Jr. High, and graduated from San Luis Obispo Senior High. She attended secretarial school in Los Angeles and after all her children were in school she worked as a school secretary. She hosted many a party during their 40+year membership with the Cal Shasta club making countless memories at the Nacimiento Lake cabin she and Richard built from the ground up. In retirement, she and Richard enjoyed traveling and visiting distant friends and family.

Beverly was a devoted wife, mother and grandmother, always reaching out to show her love and support with interest and encouragement. Her greatest joy was having family and friends around her.

In lieu of flowers, donations in memory of Beverly may be made to a charity of your choice.

“ Dear Rich, Jill and Doug,
We cannot be with you in person on Wednesday, but we will join you in spirit and love. You must know how much the Pennington girls have meant to us for 70 years; how much they have participated in our life and lore. That Dad and Bev have crossed over virtually together is only too fitting. The stories we share are almost endless, but we must again remember and give thanks for the comfort Bev and Carolyn provided for Monie during those cruises that were her final travels. Her smile still radiates from the pictures as the Foge's, Olsen's and Todd's prepared for one last shipboard adventure together. Those are images that will be part of the slide show in Dad's own service, for sure!
With sincere love and deepest sympathies,
Mike, Jenni and the entire Todd Family

“ *I was blessed to be added to the family by marriage to Don, and although our marriage did not survive, the family attachment did. Beverly was the best mother in law ever and my sons could never have had a better Grandmother. She was so loved by us and will be so missed!!! Heaven has received a very special angel, and my heart has a huge hole!! Love you, Mom*
