

Mrs. Beverly Joan Nunes

March 4, 1951 - August 31, 2024

Beverly Joan Nunes entered eternal rest at the age of 73 on Saturday, August 31, 2024, surrounded by her loving family. She endured a 16 month battle with cancer and

fought to the very end. Beverly was a loving wife, mother, Ava and friend who will be deeply missed by all.

Beverly was born in Bell, Ca in 1951 to John and Ella Lehmann and moved with her

family at a young age to San Luis Obispo. Once there, she attended Mission Grammar

School and graduated from Mission College High School in 1969. As a young girl,

she loved spending time outdoors, skateboarding in downtown San Luis Obispo,

swimming at Cal Poly, and exploring Bishop's Peak and San Luis Mountain.

Her

parents owned two markets in SLO, Pioneer Market and Laurel Lane Market, for

which she helped distribute weekly ads. Later in life, she worked as an Instructional

Aide for San Luis Coastal Unified School District for over 20 years, which she

found

very fulfilling. Beverly had a strong Catholic faith, which she instilled in her family.

She also instilled her faith in others by teaching Catechism at St Timothy's Church in

Morro Bay, where she seldom missed a Sunday Mass.

In 1968, while peeking out the window of her family's Broad street home, Beverly

caught the eye of a special someone, which sparked a love story that developed into

54 wonderful married years. In 1970, she married that special someone, and she and

Albert spent their lives together raising their three children and embarking on many

adventures including trips to the snow, camping, fishing, and rafting. Beverly's true

passion in life was always her family, especially her six grandchildren, whom she

loved dearly. Affectionately known as Ava, she was always there with a home cooked

meal, a storybook, a smile, a joke, or much needed advice. She seldom missed an

event if one of her grandchildren were involved.

In her free time, which was rare, Beverly enjoyed cooking, gardening and sewing.

Many delicious dishes and jams were made from food harvested from her garden. She

sewed Christmas stockings for many of her grandchildren, continuing a tradition

started by her mother in law. She cherished time spent at the family cabin, hiking,

fishing and spending time with family. She and Albert spent many weekends escaping to Monterey for car shows, festivals and sunsets.
