“ *My heart aches with sadness you were my best friend for so long. We were more than friends you were like a sister to me. All the nights we would stay up and plan our lives. It's horrible how we lost touch and I wish so much that I could turn back time and be there for you. I will always love you and miss you very much. Tammi and Mel you guys were like 2nd parents to me growing up. I'm so very sorry for your loss and if there is anything I can do for you guys please let me know. Rip Brittney my sunshine. Love always and forever Heather Comi*
