“ We certainly will miss our lovely neighbor and dear friend for so many years! And her lovely rose garden! She was such a sweetheart and loved her family dearly and was so interested in us! I am so happy we had a great visit a couple of weeks ago right before we went to England and she was so excited for us, as she reminisced of lovely times she and Phillip had there many years ago and it brought back happy memories for her! With love and sympathy, Lisa, Charlie, Lyndsay and Chas Katherman
