“ I first met Charlie at Mission High School in the late 1940s. He was already tall and on the slender side. Charlie was a member of our Mission football team in the fall of 1950 under coach Emmett Thompson. Those were wonderful years in San Luis Obispo, and I will always remember Charlie as a part of those precious times. Vaya con Dios, Charlie.

“ My husband and I are going to miss Charlie dearly. We have known and loved him for 8 years and will always remember his love of sports and side kick Yo-Yo. I remember he loved to eat vanilla ice cream with pecan pieces and chocolate syrup and would always meet us for coffee before we left town. Sometimes he would give me a ride to Cal Poly so I wouldn't have to take the bus and I remember he never liked to wear seat belts. I always loved to hear his stories about his childhood, places he'd been, and people he'd met. There are so many wonderful memories we have we know he will never be really gone. We love you Charlie,
