“ I was hired in 1983 when I met Charlie. He trained me and as the weeks, months years went on I gravitated to Charlie for advise and leadership. After he retired I visited him at Universal Studio since I worked at the Hilton and for Michael Jackson. Charlie always put a smile on my face (which wasn't easy). I cried when I heard the tragic news and I still feel sad. But was all know he is in heaven watching over ALL of us. We will see him again.
