“ I worked with Chris in the NICU. I loved seeing her in the morning knowing the day would be filled with her dry sense of humor and unflappable spirit. Just a look between us and we both acknowledged what a crazy day it was. She always brought in the biggest box of amazing donuts. I never saw her take a bite of any of them. 😊 I didn't get to work with her lately as she was out in leave. I am so sorry I never got to talk to her one last time. She always talked about her children and grandchildren. Her face would absolutely light up. I will always have wonderful memories of her. I am so sorry for the loss of your wonderful mother and grandmother. Sincerely, Marilee Lawson
