“ I trained with Claudia for TWA and we worked our first flight together from Chicago to Phoenix back in 1964 or 1965. Coincidentally, I ran into her in front of the Old Mission, 40 or so years ago. My husband and I had moved to SLO and Claudia said she was looking at going to Cal Poly. I am sorry that I lost touch with her after that. We had fun together. You have my deepest condolences.
