“ So sorry for your loss! “Book” had so many friends I’m in such shock! To me he will always be remembered for his love and support of Mission College Prep. Being an Assistant Coach for the basketball program I used to always look for “Book” in the stands. He always had some great sayings. My wife would sit with him at games and she always had such a good time. He will be dear to our hearts. Thanks for your charm and support. You brought a lot of joy. You will be missed! Coach John “Doc” Jensen
