“ Theresa Carter lit a candle in memory of David Roger Dahl

Theresa Carter - August 24, 2016 at 12:16 PM

CW

“ David was my cousin, his father Burt and my mother Frances were siblings.
At various times, our families did a lot of trips out into the desert together, we visited and had meals together in each family's home, David and I worked together, borrowed each others vehicles, there was a thread. I hadn't seen David 10-12 years. I hope he is finally at peace.

Condolences to his family and friends.
