“ I just learned that we have lost a beautiful soul. I didn't know Debbie very well, but we worked together on a couple of occasions and I adored her. She was so knowledgeable with a warm, sharing heart. My condolences to the family and loved ones. She will be missed by so many.

“ My deepest condolences to Frank and the Kamisnski family. I did not know Deborah really well, but we shared many a conversation and occasional class at the gym. She was always helpful when asked about medical professionals in the area to use. She shared much cutting edge information and helpful ideas concerning health issues and always had was so helpful to many of us. She wore a smile on her face to brighten everyone's day and will be remembered in a very positive light.
