MW

“ *Lisa was the sister I never had and I will miss her sooo much. There is a hole in my heart. We had so many travel plans that we will never take. Avila Beach will never be the same. We had so many fun times and made so many memories including our famous snowball fight in Colorado. She was such a delight to be around and she sure liked Bills cooking. She will be forever missed.*

Merlene Walters - April 01, 2024 at 10:35 AM
