

## Gail Marlene Martin

March 8, 1951 - June 10, 2022

Jesus and his angels welcomed our beloved Gail Marlene Martin into Heaven on Friday, June 10th, 2022. Gail will be dearly missed by her brother Randy Martin and her life partner Pál Pauer along with his children, her step - brothers (Dennis, Bob, Jim, Rick), their spouses (Chris, Barbara, Paula, Kristy) along with numerous nieces, nephews and their families. She is also greatly missed by her beautiful kitties Tamari, Boots, and the many animals on her farm (goats, chickens, ducks, doves) that she cared for and loved very much. Gail enjoyed picking up the fresh eggs on a daily basis. Her farm was in Santa Margarita north of San Luis Obispo. She will be missed by her countless friends who knew her throughout her lifetime.

Gail was born on March 8th, 1951 and grew up in Tujunga Ca. Gail lived in many places including Manhattan Beach and Hermosa Beach as well as San Diego. Gail especially loved when she lived in Morro Bay for about 20 years. Some of Gail's happiest times were watching the Otter's swimming in the bay by Morro Rock. She loved to drive up Highway 1 to Big Sur and Carmel. Gail always loved nature, the outdoors and all animals.

When Gail was young we went to Canada several times to see family in Edmonton, Alberta. We would always visit Jasper, Banff and the Columbia Ice fields which were very beautiful. Gail also enjoyed camping at Rock Creek in the High Sierras. Gail and her "critters" were in process of moving to a ranch in Arizona at the time of her unexpected passing.

A Memorial Service at her ranch that will be dedicated to her name and remembrance, to be held there in the near future.

In lieu of flowers, the family requests donations be made to any reputable animal rescue charity. Gail always wanted Peace and Kindness in our world. We love Gail and will miss her every day. Rest in Peace.

“ *Gail will be missed greatly. When Gail became our sister, I was 12 years old. She was out of the house so we didnt get to spend much time together. But when we did get time together, we truly enjoyed the time. Kristy and I have good memories with her of Rock Creek trips with the family and holidays. We will miss her. Love, Rick & Kristy*

“ *Fond Memories of Gail as our only sister. Barb and I had already started our own family when the Martin-Predmore’s joined in 1972, so the time spent with Gail over the years were the special family gatherings. I’ve attached some pictures to share some of those special occasions. Gail lived her life as an independent women and loved nature and animals. In her name, our family will send donations to charities we support, both Barb’s Dog Rescue, an animal shelter in Puerto Penasco, Mexico; and the 4H Club of Yavapai County. We will remember you always, Gail!*

*Love, Bob & Barbara Predmore and Family*

“ *Miss you Sister. Although you left us too early I know you lived a full and happy life. Thanks for sharing your love of nature and your internal peace with yourself. I remember our sibling dinners in Manhattan Beach when it seemed we were still just kids. I also remember you could just sit for hours and watch the beauty of the ocean. Seems like we didn't have enough "close" years we shared but the ones we did were wonderful. Save a spot for the rest of the family. Miss you and love you Sis. Jim*

*I always thought of Gail as a kindred spirit in the big, boisterous Predmore family (that could be somewhat overwhelming when I first joined the clan). She and I could always creep off to a quiet corner and talk, while the loud fun and chaos was underway everywhere else. It gave us a chance to bond and get to know one another a little. I remember how much she loved the beach, especially Morro Bay, which was her dream location to live. And she eventually got to do that! I remember a really nice seafood dinner we had with her, Dean & Vera right on the water in that beautiful area not too many years ago. And I remember the salt-water taffy she would always bring from the candy store in the Monterey area years ago. She came one Christmas and stayed overnight with Randy, Dean & Vera; and we all went to a lovely Christmas Eve service. We were really looking forward to visiting Gail, Randy & Pal at the new "Ranch" in Arizona. Sounds like she was really looking forward to the new home with family and all the animals. And it's incredibly unfair that she was taken from us just before that came to fruition. So that means Randy and Pal should continue that dream for both themselves and for Gail too. She would love to know that you guys made the big move to the new home with all the animals around. Even though we hadn't had an opportunity to see Gail the past few years, we miss knowing that she was just down the coast not far away. I wish we would have visited more often. Still thinking of you sweet sister-in-law and sending you lots of love. Paula*
