Mike - This is a wonderful photograph of George with the Pacific Ocean and the ship in the background. George's smile and his pocketed hands perfectly captures the George Martines I knew at Mission High School so many years ago. This photograph belongs in the San Luis Obispo History Center as a permanent memory of a remarkable human being who has now passed into eternity. Bill Cattaneo - Mission High School - Class of 1951

“ *My most memorable memories of George come from Mission High School, when George was a freshman athlete on our football team in the fall of 1950. At that young age, George already exhibited an intense competitive nature that would last a lifetime. George always gave a full measure to team and life. Vaya con Dios, George. Bill Cattaneo*
