“ So many memories came to mind when I think of by Nena Isabell. I am so glad that you said yes when I asked you to be my godmother. I will miss seeing you but I know that you're always with me in my heart. I'm so sorry for your family losing you. But I know Heaven has gained an angel. I know you're up there watching over Nino Sid ,Darlene,(Charlie),Bev(Gary)and everybody else in your life. God bless you and I'll pray for you and your family in these times of sorrow.

“ Not everyone is so lucky to have such a wonderful loving Aunt. We are missing you dearly, but loved all the phone calls since we couldn't visit because of covid.

“ *Aunt Isabel, was one of my favorite people on the planet. She was an amazing lady, full of life, love, kindness and fun! We enjoyed many trips and adventures with her and Uncle Sid. My sons most memorable times were going to see the monarch butterflies and watching whales off the Cayucos Pier and the candy shop. We are all going to miss her so very much, my family is just heartbroken. We are all better people for knowing and loving and being around you. We will love you forever Aunt Isie❤️❤️ & are forever in our hearts. We love you Uncle Sid, and girls you are in our prayers and send our love.*
