“ I always marveled at Jack and Mischa, the “lovebirds”. They truly knew what was important to them, and that was each other. Jack was a kind and caring man who will be missed dearly by his “lovebird” and all who knew him.

“ Jack was a good and kind man who loved his family and friends dearly. He will surely be missed by all who knew him. I've never known a couple who epitomized the meaning of "soul mates" as Jack and Mischa did.

*"To every thing there is a season...a time to be born, and a time to die...a time to weep, and a time to laugh; a time to mourn, and a time to dance..."*

“ *I remember being young and Grandpa Jack and Grandma Misha would travel around in their RV with their kitty thumper. We had such a great visit where we all camped out up north in Birch Bay. It was my earliest memory camping which I love to day to this day. Thank you grandpa for sharing that experience. And for all the love.*
