“ You never realize how much you miss or think about a person until they are not her. Jimmy Jay you were loved more than you will ever know , these are things you should have been told when you were with us. My heart is sad and happy at the same time. I know from talking with your friends how amazing you had been . RIP Jimmy Jay no pain, no worries just peace. Love you Nephew. Aunt Sherry

“ James was an amazing man. He loved with all his soul. The world lost an amazingly old soul. He touched every life he came across.
