“ Her name was Jenessa not Janessa! I should know, since I was the person who birthed her and came up with the spelling of her name. I wish whoever wrote this would take the time to edit and make it right.

“ It's been over a year since my beautiful amazing big sister , my best friend, my rock, passed away. I still cry everyday and the pain and heartache has yet to get any easier. I lost the only person who's ever truly loved me unconditionally. The day my sister died she took a big piece of me with her. Her name was spelt Jenessa Dawn Nelson BTW not Ja.....

“ Not only was she the most beautiful, loving, caring, selfless person I've ever known she was also a mother, a friend, and my big sister. She taught me what it means to truly love someone unconditionally, because that's the way she Loved, not only myself but everyone she Loved and cared about she did it unconditionally. I miss her more than any words could ever say. I still can't believe she's gone and that I'll never get to hear her voice or see her face. Here on earth she was my sister now in heaven she's my angel. She's with her dog hatchet now. I know she is smiling looking down on us from heaven saying "don't cry for me", "for I am at peace now, please no tears, finally for once I am truly happy" . I love you "Nessa" until the day I see you again in my heart is where I'll keep you.
