“ I had the privilege of working with Jo at Cal Poly for many years. She so impressed me that I chose her as my assistant. As a result, we became very good friends. Her wisdom and spiritual insights were a gift to me and those whose lives she touched.

I will miss you, sweet Jo. Your impact will forever be felt by me and those who were lucky enough to share time with you.

*Love you, Jo

“ My husband and I used to go with Jo and Don to dinner. Their favorite place was the Red Lobster. We had so many fun dinner outings together.

Jo always spoke of the Spirit World and how thin the veil is between this world and the next. She spoke of it with an open heart, confident that what was next was a place of healing and learning about our souls.

Jo was a dear, sweet person who loved much about this world. I am thankful she included me in her life.

“ I am saddened by the loss of Jo, as she was my BFF. We met through her husband Don. What a gift to have her as a friend. We had shared so many wonderful conversations. We laughed we cried and had many stories to share. I loved her like a sister. I know she was happy to see Don and those that had gone before. No doubt she is in heaven.
