“ My mother is Mable Dutra from San Luis Obispo, Ca. and was 99 this last week. My father Tony and my mom had know John and your mother for years visiting at each others homes and traveling to Wyoming and other places for their camping and hunting trips together. I (Shirley) will miss not getting his annual Christmas card that I treasured over all these years. Your dad was a beautiful, generous and kind man. Happy Trails To John, he was one of the Good ones.
