“ There was 10 of us kids from his oldest sister Marylou Flores. I have so many great memories of Uncle Johnny, I remember way back when we lived in SLO on Broad St. I was like in 2nd grade, Uncle Johnny and Mary would walk by from the store and give us a bag of candy to share, boy was that a real treat. Then there was one summer, I must have been in 6th grade, Uncle Johnny and his friend Clinton came to pick me up in his Corvette, to spend the summer with grandma. We all have great memories of our Uncle, he will be very missed, loved and forever in my heart. R.I.P.
