“ I met Billy at the Gym a lot of years ago. We became friends immediately. Who could miss his kindness and humor. Water aerobics became a lot more enjoyable. We would get together for a meal and to catch up. Sometimes he would treat me to his yummy cooking. Other times we would go out. It was always a fun time. Each Christmas he would give me a special ornament. I will always cherish them. And... I will always cherish my times with Billy. We became close friends..we would always end a visit or a call with “I Love You”. Rest gently my sweet friend. You will stay in my heart.

“ From the time I was 5 years old, the Zweifel family were dear friends of the Dyer family. Bill was an especially kind and considerate man. He was so good to my family over the years. He was also funny, always displaying his keen sense of humor even in times of turmoil. Bill came to the house to cut my mother's hair in her later years, refusing any kind of payment saying his mother would roll over in her grave. He helped everyone without waiting to be asked because that is the kind of person he was. On behalf of Ann and Leon, thank you, Bill. You will always be treasured. RIP, dear friend.

*I extend my deepest sympathies to all the family.*
