

Judith J Preuss

November 3, 1930 - September 5, 2020

Heaven gained a new star on September 5, 2020

Judith J. Quartilho Preuss was born November 3, 1930 on the Enos ranch in rural Morro Bay, CA. Her parents Antone Rodrigues Quartilho and Maria Gonzales Quartilho immigrated to the United States from the Azores Island of Terceria.

Judy attended Mission grammar school and high school, In her Sophomore year she transferred to San Luis Obispo High School and graduated in 1948.

While in high school she was involved in student government , active in Girls League, as well as student body head cheer leader.

After graduation she attended Junior College for a short time. Judy married Berny S. Preuss in 1950 and has two sons, Gary M. Preuss and Mark A. Preuss.

Judy re-entered the work force and for 33 years, worked as a legal secretary. She was proud of her association with the many attorney's she worked with on a daily basis, many of whom still remember her.

She loved her many friends until the day she died. They were all faithful in

their friendship and brought comfort to her as she battled lung cancer the last 2 years of her life.

Judy had a wonderful spirit, she loved music, dancing, cooking gardening and walking. She walked the neighborhoods of San Luis Obispo making many new friends along the way and visited with those she already knew.

Judy loved life! She had a fantastic memory and loved telling stories, whether about San Luis Obispo, her employment at the Fremont Theatre as an usherette, her family life or funny experiences she had in her life.

Judy could find a line from a song to sing for just about any situation in life. She loved to laugh, and her stories entertained those around her.

Her favorite time of year was Christmas and she always filled her home with Christmas decorations and lights to celebrate the season.

We'll always think of Judy at Christmas time.

She was predeceased by her father, mother, sister, brother and niece Judie Roza.

Hi Gary I'm so sorry if this is insensitive. Do you know if Judy had a long lost child? I have a relative who is looking for her birth family but only has a hospital bracelet with "Judy Preuss" on it

“ Judy and I, along with my sisters Mary, Dora all used to walk to school together when we lived on Dana Street. We used to play together in the creek by the Old Mission. Judy and I worked together as usherettes at the Fremont Theatre for Stan Cole. Judy was a lifelong friend. She was a wonderful, kind lady who will be greatly missed by all. My deepest sympathy to her family.

“ I first met Judy as a child. Our families were SLO natives and knew one another well. She was always special to me. For the past several years she and I became especially close. We so enjoyed each other's company and could talk for hours about our San Luis history and friends and family in common. I had the pleasure of calling her mom (as I had lost my mother a few years earlier). She very much helped fill that void. I will miss her more than words can describe. Her loving presence and keen wit were such a joy. God bless you always mom. I love you❤️❤️❤️❤️

“ Judy was a friend from the first time I met her when I moved across the street from her almost 30 years ago. Over the years we have shared many hours of conversation, laughter and tears. She was another grandmother to my four children, and we have many fond memories of her as part of our family celebrations. Judy was an amazing lady, and a wonderful friend. I'll miss our visits and her stories.

SK

Where does one begin expressing the loss of a loved one? The memories of the times we shared will always be there and I know Judy's spirit will always be with me.

“ She was a good friend of my Mom’s, and a member of the Legal Secretaries Association. Remember many times her visiting the house. She loved her boys. RIP, sweet lady!

“ She was a mentor and second mom to me. She knew my husband’s family and was a dear friend to my mother in law. When we moved to Arroyo Grande we communicated by e-mail. I remember stopping to visit a few years ago and we talked for hours. I will miss her but I know she is at peace. I love you mom, your daughter forever
