“ I am so sorry that June has left us. She was a bright spot in my life and always said "how ya doing kid?" making me feel young! I enjoyed her friendship very much and I am so glad that we had several lunches together since she came back from LA. I feel fortunate to have had her in my life and will miss her optimism and sense of humor! She was a fighter and I know she held on as long as she could. Love to her family ~ she was a very special lady!
