

Kim Adams

August 16, 1962 - August 25, 2023

Kim Annette Adams August 16th 1962 - August 25th 2023 of Cambria, CA passed away peacefully surrounded by her family at the age 61.. Kim was born to Francis and Kenneth Well of Cambria, CA. She attended school in Cambria and graduated from Coast Union High School Class of 80'. Her childhood was full of family and friends, many of whom were still her friends into adulthood. She married her best friend and soulmate, Thomas Adams on October 26th 1997. Kim worked various fun jobs over the years including working at the iconic Chevron Station, the Cavalier and of course her bookkeeping days at Winsor Construction. She loved to collect things like rocks, tea cups and anything with sunflowers. She enjoyed spending time on the back of Seaweed's Harley (her Harley), cruising up and down the coast. You could find Kim at home on the ranch, shuttling kids to and from various activities or in the kitchen whipping up her favorite dish.

In 2010 Kim was diagnosed with Pulmonary Arterial Hypertension which she battled courageously and never let it overcome her. In 2021 she officially became a Memaw although she was already a Memaw to so many children in her family these new additions added even more joy and purpose to her life. In 2022 she was diagnosed with Lymphoma of the Lungs

and Liver but chose to fight for more time with her loved ones. She fought hard and showed us that her faith and strength were a force to be reckoned with.

If you ever sat and chatted with Kim you would know she loved her family fiercely whether blood or chosen. Kim is survived by her husband, 2 daughters, 3 grandsons, sister, brother, and many nieces and nephews.

Kim will be missed greatly by so many!

A private family service will be held and a public Celebration of Life will take place September 9th 2023 at 11:00am on William Randolph Hearst Memorial State Beach.

“ On behalf of the Behold Israel Team and especially the BI Prayer Team, we send to you all, Tom, family and friends, our love and prayers regarding Kim’s ‘Home-going’. We know she is in the presence of our Savior and Lord Jesus Christ. I, Joanne, had the pleasure of really getting to know Kim and we talked and messaged back and forth. It was always a joy to see her on our Prayer calls each week as she was able. Sometimes she had her precious grandson on her lap and other times, she was laying in her hospital bed listening in on Zoom and other times, she would come on and pray with and for the others on the weekly call. She was a blessing to all of us and we know many of you are mourning her loss here on this earth, and for those who also know Jesus Christ as your Savior, we know you will one day see her again as well. God bless you all.

Awaiting His Return,

*Joanne Arnott
Ministry Care Coordinator*

“ I am so sorry to hear about Kim , I may have only met Kim by video and through Goats of Anarchy but I feel like I knew Kim in person. She had a heart of gold and was so caring, she would show me her babies, dogs, goats who were the one love of her life besides her Husband, children and Grandchildren. I will hold the chats we had in my heart and the book she sent me to will keep forever. Kim you fought like a goat as best as you could. Sending hugs and condolences to Kim's Family, furry babies and Friends. You will never be forgotten my Friend.
