“ I first met Lanita at the dog park in San Luis Obispo when my lab puppy was 4 months old. Her lab Mia instantly bonded with my Mercy, and I loved every minute I spent with Lanita. She was full of fun and life and humor, and we bonded over our love of dogs and Labs in particular. She was the only person we trusted to watch Mercy, and I believe my dog was a little sad to leave Mia and Lanita when we came to pick her up. Lanita was so generous with her time, even though she had lots of friends loved her work. She was a joy to know, and I miss her. Im just so privileged to have known her and to have had her touch my life.

“ I first met Lanita when we worked together at 1865. We both loved to water ski & skied Nacimiento for many years. She was a phenomenal skier. She told me about all the fun travels her & Grechen, her bestie did. She had a great life. We will ski again, this time in heaven.

“ *It was a great honor to know Lanita, and work with her for many years. Also an honor to be trusted to drive her jet boat in a straight line while she shredded the morning glass at Lake Nacimiento. She and Gretchen were great mentors at This Old House, and taught us the importance of customer service, and how to have fun and love what we did.*

Years later she was the smile at the door at the Bayside, still making customers feel special. I'm certain her dogs in Heaven are happy to have her home.
