“ I really miss Les! He was definitely taken too soon. I miss our conversations and his random phone calls. My heart was broken to hear he had passed. Miss his guidance and support. Rest in love! Love Chenoa and family.

“ Les was my best friend in junior and senior high school - Oskaloosa Iowa we ran around together and enjoyed many pranks and good times. He lived only one block away. Later he became a psychiatrist and myself a general practice physician. I often wonder what happened to my old friend and only occasionally heard of him when he went into practice with my cousin Russ . It was thru my aunt I heard of his untimely rest. I know I will see him again some day . He had told me many times he had accepted the free gift of salvation through Jesus our Lord and Savior.
