“ *My dearest friend Patricia's mother Lucy was gentle, warm and kind. She marveled at seeing her daughter, grandson and great grandson move around the room as every few minutes they'd stop and plant a kiss on her forehead or give her a great big hug. She beamed with a smile knowing that she was surrounded with lots of love and exceptional care. Patricia's dedication to her mom was unconditional and truly admirable. From our family to yours we extend our condolences. Shirley, Ralph, Gordo, Javier & Esteban*
