“ Dear Soddy Family,

Thank you for sharing Mary T. Soddy with me. My name is Alan and I was her next door neighbor in San Luis Obispo at Woodbridge Meadows from the time she moved to California and we stayed in contact even when she moved Carmel Street. I will always remember the time when on a rainy day I was putting in a hardwood floor, late into the evening, when I received a knock on the door. It was Mary in a raincoat and an plastic scarf hat to present me a fully cooked hen!! Over the years I received a few more cooked hens and I appreciated her friendship and admired her insatiable appetite to read everything beyond the LA Times as well as her participation with the Women's League of Voters. Later I changed jobs, moved to the Bay Area and married. Both my wife and I enjoyed our visits with Mary upon our rare returns to San Luis Obispo. My sincerest condolences to Suzanne, her Sister and Brother-In-Law and her two nieces.

God has one more angel in heaven,

Alan K. Toy
