“ Dear Bob,

What a wonderful woman Marysue was, and I am so, so sad to hear of her passing. You know I had an enormous crush on her ever since the 4th grade, and I was never afraid to tell her that! I will forever remember her walking her beloved dogs, stopping to chat, riding her bike with you, bringing over extra fruit from the farmers market, and most importantly, being such a good friend to my Dad after my Mom passed away.

My entire family absolutely adored the two of you, and please know that I am thinking of you during this difficult time.
