

Michelle K. North

April 22, 1964 - March 25, 2021

Michelle Katherine North passed away peacefully, surrounded by her loving family, Thursday, March 25th 2021. She bravely battled cancer for 18 months. Michelle was born on April 22, 1964 in Laguna Beach, California to Victoria and Andrew. She is the eldest of five siblings.

After growing up in San Clemente, California and Prescott, Arizona, Michelle married her true love in Orange County, California. Married for 33 years, Michelle and Scott moved to Bellingham, Washington to raise 3 amazing children, Lauren, Keenan, and Hattie.

Once the children were grown, Michelle and Scott moved to Pismo Beach, California for work and sunshine, enjoying daily walks on the beach and stunning sunsets

Michelle was sunshine to those who knew her. She loved traveling, surfing, and hunting for seashells on beautiful beaches. Above all else, she deeply loved her family. Her dedication, love, and care was incredible and will never be forgotten. She selflessly nurtured every sport, interest, or education endeavor of her family and worked hard to support them every step of the way. We will sorely miss her gorgeous smile and beautiful heart.

Michelle is survived by her beloved husband Scott, daughter Lauren and her husband Taylor and granddaughters Emmie and Maisie, son Keenan and his wife Sara, daughter Hattie and her husband Jess, father Andrew and his wife Earlita, mother Victoria and her husband Wayne, sister Robin and her husband Curt, brother Luis and his wife Melanie, sister Andrea and her

husband Mike, brother Alex, step-sister Lisa, nephew Curtis and his wife Nicole and great nephew Curtis Michael and great niece Anadelle, nephew Forrest, nephew Hayden and his wife Emma and great nephew Owen, niece Katia, nephew Hunter and nieces Grace and Capri, and many aunts, uncles and cousins.

We will continue to sense her amazing spirit in perfect sand-dollars, the scent of blooming lilies and awe in fiery sunsets. Michelle's ashes will be scattered in the Pacific Ocean she loved so dearly. A celebration of life will be held in Pismo Beach, California in the summer of 2021. Date will be announced when pandemic travel restrictions are gone.

“Michelle was a wonderful colleague who we could always count on for a no nonsense attitude. She wasn't all business though. We heard about her children and their adventures - football, soccer, Louisiana, babies. On Valentines day and on her birthday we saw Scott bring her flowers. I am grateful to have known her and her loving family. Mike S.

“My son, Brady Penn, spent so much time with this wonderful family in high school as Keenan's good friend. They all treated him like family and he loved hanging out with them! Scott and Michelle certainly had good parenting “down” and I have always admired them and those three great kids. Scott, Keenan, Lauren and Hattie- and all of Michelle's loving family- my heart is with you and I am deeply sorry for your loss. ❤️ Thinking of you!

“ I was pregnant with my twins when I was coaching Hattie as a Rangers player. I distinctly remember telling Scott how my husband Tyler and I looked up to him and Michelle as great examples of parents we wished to emulate. I am so sorry for your loss. You have an amazing family, and Michelle is gone too soon. Sending our love.

“ Words can't even describe how sorry I am for your family's loss. Michelle was a huge part of my life. She was my other half at work, you know the person who just made your day better. She gave me life, love and family advice. I worked with her for almost 8 years at WCC and I am so thankful she was put in my life. I went through both my pregnancies with her and she helped me every step of the way in becoming a new mom. She taught me its okay to be authentically you and if people don't like the real you then they don't need to be in your life. We used to take walks and just talk about life and I loved hearing about her life. Her kids were her whole world. She was such an amazing mom and friend. I will always remember her smile and witty sense of humor the most. My prayers are with you all.
Sincerely,
Leah Thies

“ I met Michelle as my boss in Bellingham at the Oxford suites in 2016. Michelle was instrumental in my move to California by sharing what a beautiful place it is (me having never been) with the beaches and sun all year around. Michelle helped me transfer my job to a hotel in California and I've worked my way up in hospitality that wouldn't otherwise be possible if Michelle wasn't so genuine and looked after my best interest in starting a career. With her help early on, I wouldn't have been so successful today. I was so happy to have caught up in Pismo beach in 2019 and to hear we both moved south to the sun and ocean. My heart goes out to her family 💕

“ Scott, Lauren, Keenan, Hattie and your families, I am so sorry to hear about Michelle. Memories of her make me smile. I always loved having her in my salon chair. Often times we would laugh so much Kurt would comment on how much fun we must've been having in there, as he could hear us from upstairs. I'm going to be praying for comfort and peace for you all. Love to you, Linda DenAdel
