

## Nancy Utterback

March 2, 1955 - August 8, 2016

It is with deep sadness that our dearly beloved Nancy Jo Utterback aka “Nipomo Nancy” passed away on Monday Aug 8th at the age of 61. She is in heaven now and enjoying the time with Jesus. She was passionate on so many levels but loved her Lord first and foremost.

She was a kid at heart and no one could say that she wasn't a fun, free-spirited individual. She could be very competitive at games but compassionate for the losers. She always found the most interesting gadgets and gizmos that kept the kids entertained for hours. There's not a heart or soul that she couldn't put a smile to. She did her best not judge anyone and took the challenge to brighten anyone's life.

Nancy was involved in many activities with her children and could be found helping them with girl scouts, 4-H, cheerleading, little league and football and never gave less than 100 %. She had a tenacity for perfection and was evident in her crafts and collections.

Her career as Real Estate agent provided her an avenue of many friends and associates. She was always excited to help people with buying or selling a home.

She is survived by her husband, Kent. Her children, Leslie (Rick), Brian (Stephanie), Kristen (Ryan), and Grandchildren Laney, Caitlin, Sophia, Brielle, & Coen. Her sister Jane, brothers, Robert and Howard and their respective spouses. She was preceded in death by her mother Elizabeth and father Chuck.

If you would like to make a donation in Nancy's memory please send to New Life Community Church of the Nazarene: 990 James Way, Pismo Beach, CA.

“ Nancy's generosity, kindness and fun loving spirit lives on in her children. She sought to bring joy where ever she went. She was loved by all and will be deeply missed. I will forever appreciate how she treated my children as if they were here own grandchildren.

“ Nancy had a wonderful heart and a fun soul. Whenever she was around she made it her mission to make everyone smile. She would bring the family together by making games, and finding a way to share a laugh together. The family will not be the same without her. She is loved so dearly by her children and grandchildren. We will always remember Nancy as the loving and caring wife, mother, grandmother, and friend she is.

“ Whenever I think of Nancy, I can not help but smile. I remember when I first met her. She and her family had just moved to Nipomo and her son, Brian was to be in my class at Nipomo Elementary School. She came to see me and had so much positive energy and joy for life and love for her family. I knew immediately that I was going to love her and her family. She told me of her goals for her children and we were on the same page about it all. She brought in the most wonderful educational games for the classroom and always shared her positive thoughts and enthusiasm for life. I was blessed with her friendship and with the honor of teaching her two youngest. Every moment spent with Nancy left me happy and wishing we had more time. I remember having dinner with her family in their home and thinking that this was the epitome of what a family should be. My heart breaks for her incredible family. I know you will all have a huge void in your hearts missing her. I know that she will forever be in your hearts and her joy will come through in you and your children.

*You were a wonderful blessing. I met you at Church. We became fast friends. On our first Women's retreat you put a frog in my suitcase. You laughed forever. I was scared to death. You were the best game player. Jr, myself and you and Kent loved to play cards on a Sat night... I remember how your mischievous eyes would sparkle when you had a plan... you always had a plan. Loved going Beanie Baby crazy with you. We always found an adventure... You will be missed but forever loved... and your laughter always ring in my ears.... Dalette Rushlow...*
