*I met Patty when we were kids. She went to Stratford. I went to Island. Rival schools in sports. I remember Patty running the basketball court with those long adorable pigtails. Patty was such a special person. Unselfish. Nice. Smart. Everyone wanted her to be their friend. Oh, and those plaid pleated skirts and sweaters were to die for. Yep. That was Patty. Recently, in an attempt to stop the LHS Board and Administration from demolishing the old girls gym, we shared ideas and research. I'm so grateful for that time her input. Our effort failed, but the fun, funny shared conversations are now tucked away in my special memory file forever. Thanks Patty for reminding me of Mrs. Rachfords rules in writing. "Keep it short and to the point." Gonna miss your emails and Facebook posts. Gonna miss you. LHS Pahoose People Class of '61 forever! RIP God bless. Your pal, Melinda Miguel Olson*

*To Patty's family I send my prayers and condolences remembering this wonderful lady. I too met Patty in grammar school, the rival school Island. We went on to be friends in High School Class of '61. We shared many fun times, some stressful, but mostly great times. When Patty was around it was always fun because she was a so much fun to be around. She loved life and made us love life too and love her unconditionally. She attended our last Class Reunion and it was so good to see her and visit with her and laugh about some of the crazy things we did as teenagers. She was a "Special Lady" that her memory will forever be in my heart and memory bank. R.I.P. dear friend until we meet again.*
