“ I recall seeing Phyllis after she had ECT and her being so happy. Happier than I had ever seen her and I recall taking her to Olive Garden in SLO on Valentines Day 2015. We also saw each other somewhat regularly at Hope House for awhile. I am glad to have known her and wish I had known her better. Condolences to her family.

“ I am sorry to hear about Phyllis; I took care of the dog she had for a year, and adopted him a year later (with her permission & approval). It was a pleasure knowing her, however briefly. May she rest in peace & my sympathy to her family.
