“ I am saddened to hear of Ray's passing, not because he is gone because he will be in a better place now but because his passing will leave a hole in my life that will be there until I get to join him. I have far too many wonderful memories of my time with Ray to recount here but he will always be "a good Guy" in all them. I hope he will rest in peace and I hope there will be baseballs, golf balls, tennis balls and basketballs and pool balls where he is because we always said "if it is round, Ray will make it do magic".
Goodbye my friend.
