“ When I first met Mona, she did not like me because I am a morning person. I would open the blinds when I got to work at Public Health Dept. and she would tell me " do you mind I am not awake until 10" I told her the blinds are on my side so don't look my way. We became the best of friends and I will always love her dearly till we meet again.

*Love you Pinchi

Annie, I want to thank you from the bottom of my heart. I got the biggest kick out of what you shared. I can literally feel Mona saying that and it makes me smile....
