

Randy Lee Johnson

November 22, 1951 - May 24, 2023

Randy Lee Johnson age 71 of Morro Bay CA left this earthly realm on May 24th, 2023. Randy was born in Bellevue, Michigan in November 1951. He graduated from Marshall High School in Marshall, Michigan. Randy grew up a country farm boy. He lived on the outskirts of town where he gained a passion for riding

horses, barrel racing and building cars. Randy was an outdoorsman who loved to camp, hunt and fish. Randy's dreams would take him to many places over the years. His journey began when he

joined the US Navy at age 18 where he discovered and grew in his love of the ocean and being out on the water. During enlistment Randy was stationed around the country and visited many places overseas. Randy wore many hats during his professional life including nuclear submarine engineer, firefighter,

and eventually principal engineer for PG&E. Randy's dreams led him to Morro Bay, California where his journey continued. Randy started his career with PG&E as a Chemistry and Radiation

Protection Technician in November of 1981. His responsibilities grew in Chemistry and Radiation Protection as he advanced into Supervisorial Roles. Randy had a longtime interest in computers and computerized processes.

This led Randy to the second half of his career with PG&E. Randy's work in this area included chemistry process systems, emergency planning and response systems, and plant monitoring process systems. Randy retired as the Principal Power Systems Engineer in February of 2018.

Randy was a loving and supportive husband, father, and grandfather. Randy married his wife of 35 years Janet (Usilton) Johnson in April of 1988. Randy leaves behind his wife, Janet, four children, Neal Johnson (49), Honalee Johnson (46), Trevor Johnson (29,) and Julianna Johnson (20,) and six grandchildren. Randy was preceded in death by his parents Joyce Elaine Warner and Richard Lawrence Johnson, his brothers Ricky Johnson and Eric Johnson. Randy is survived by his brother Larry Johnson and his sister Glenda Merritt. Randy was well-loved by those who knew him. Randy was an active supporter of the performing arts. He was known for his profound sense of humor and sharp wit. His presence will be greatly missed.
