“ *Our condolences to Richard's family.*

Richard was a good lawyer, judge and above all, a true gentleman. Virginia and I first met Richard in Santa Maria in 1968 when he was a Deputy District Attorney, a private practitioner and later, a Municipal Court Judge. When we moved to San Luis Obispo in 1977, Richard was on the Superior Court bench in San Luis Obispo.

It was always a pleasure to appear before Richard. He had a keen sense of justice and could readily cut through the fog of opposing arguments. His was the most common-sense dispensation of justice I have observed along with a good dose of humor.

May he rest in peace and his family find comfort in his legacy.
