“ *Rosie i remember our trip to Reno to see Mathew in 1988. You drove and i kept saying are we there yet? We had so much fun. You told me I would marry that man one day? I did and we had a baby girl we named after you. Your name lives on my girl. You were so excited when I told you I named her after you. You had a smile that would light up a room. A heart of gold. I love you my friend. Rest now in eternal life.*

“ *I remember when Rose first came to visit me in Lemoore. We were such city girls. Drove around a while and stopped in some of the fields, picked cotton and took pictures standing in the cornfield. Then we decided drive to Yosemite. It took it too long to get there so we turned around and drove back. Found out later that We were nowhere near the gate. You were my high school friend and we didn't get to see each other often enough but I love you and will see you when I get there!*
