

Sara E. McEre

March 29, 1934 - April 24, 2026

Sara Elisabeth McEre, age 92, passed naturally and peacefully on April 24, 2026 in the comfort of her home. Sara was born in Cleveland, Ohio on March 29th 1934, the daughter of highly recognized physician, Dr. Roger Olaf Egeberg, Sr. and prominent sculptress of her city, Margaret Chahoon Egeberg.

Sara embraced the peace, love and freeness of the hippie era, always keeping a go-with-the-flow attitude.

With a humanitarian heart, she gave her love to all people, the environment, causes and the arts.

A self-proclaimed “architecture junkie”, she spent 52 years caretaking and creating safe communities within the properties she owned. Noteworthy, The Establishment, the historic Erickson House, both in San

Luis Obispo and a Craftsman style triplex in the Santa Barbara riviera.

She submerged herself in the care and design of the homes, fixing them up and bringing them back to life;

all the while providing an environment for tenants to thrive with her loose reins.

Sara is survived by her daughter, Jenifer Rescola, granddaughter, Julie Brainard, grandson, Philip

Brainard III and his wife Alysha Brainard, and great grandchildren Gavin Kelly,

Hailey Brainard, Ariana
Laing, and Jason Laing.

A celebration of life for family and friends will be held this summer. In lieu of
flowers, please donate to
Save the Redwoods-a cause dear to her heart.
