“ Terry was one of the kindest people I have had the pleasure to meet and get to know. We meet at Kennedy Fitness where we often shared a lane and grabbed our kickboards and had many conversations that extended our workouts into mileage! We got to know each well over the years and I was always happy to see him. He was always positive, always smiling, always greeting everyone with an open heart . He was a true friend, and I have missed him in the past couple years, but kept in touch by phone. I left a couple messages in this past year, sending him well wishes, but hadn't heard back. I just saw his obituary months later. My condolences to his family & the many friends who were also touched by Terry's kind hearted, gentle being. RIP my dear friend. 🙏❤️ Ann

“ Terry was a great brother and loved life, made friends easily and enjoyed his many friendships with others. Terry and I were always seperated by many miles but we made up for that with some lenghtly phone conversations. I did have the opportunity to visit a few times with Terry and mom over the years with my wife and daughter and we always created some good memories together. Terry's smile and friendship will be missed and I know he is now in a better place with God and the rest of his family. God's blessings to all who morn his loss and remaining family members.
