TO

“ Tom I only meet you twice, you were very busy with your energy high like mine...you always asked if I needed help in the kitchen? I was chopping for the other Tom and our B-Q. You were kind, friendly, and I couldn't take the loudness anymore and I kept away from you by the end of the day...hoping you wouldn't follow me... Then I hear you had moved on to the others side a few weeks ago! WHAT!! now I miss you even more...you were frustrating and a real like able guy...we all MISS YOU. Your laughing and kindness towards all. Thank you. Sending love and light to all.
Sincerely, Tonie

“ Tom was a good friend and he helped me with so many projects around the house and yard. Eager to work and just as eager to meet up at local brew houses and restaurants for good conversation and many laughs after the work was done. He had so many friends and I feel very fortunate to be one of them. I will miss him.
