“ I met Tom about 7 years ago through my son Aaron. He was a wonderful man with a big heart. He came to our home for Christmas and my son talked him into coming over to the desert in 100 degree weather to help us move a time or to. I will miss our travels together to different race tracks, especially the ones close to the casinos as you were the best gambling buddy. But most of all I will miss all the times we laughed together. I was very fortunate to have you in my life. Till we see each other again❤️

“ My thoughts and prayers go out to the family. Although Tom and I had lost touch throughout the years I always remember the great times we had riding motorcycles whether it was in the dirt or in the street. I have one special memory on the 4th of July I told my parents I was staying at Tom's he told his dad he was staying at my house and we ventured off to Santa Cruz on our street bikes had a great time that evening and rode back through Big Sur the next day. I think we were about 16 or 17 it was pretty awesome. The memories will last forever and I will always remember Tom has a great person.
