“ I can't believe you are gone brother. Bill was a charter member of the Pioneers motorcycle club. We all called him "Firewalker". Why you ask? Well,we were all on a camp out in lake siskieue california,and we had to move a picnic table across the camp site. As we passed the fire pit,Bill lost his footing and fell backwards into the fireplace. We all swore he walked on fire to get back up. We rode many ,many miles together. You will be missed by us all. God speed brother,AHO! till we meet again. Styx
